HOW TO USE

Plant/Situation	Pest	Rate	How to Apply
Vegetables, Fruit, Ornamental plants	Caterpillars	Mix 10mL per 5L water	Apply when pests appear. Re-apply every 7 days while pests are present. Good coverage is important so apply spray to upper and underside of leaves to point of run-off. Note plant safety CAUTION information. Caterpillars: Use of an emulsified botanical spray additive, e.g. eco-oil™ is recommended. Note: There may be some species within this pest group that may not be controlled. Sooty mould: Spray insects directly above and around or within the sooty mould affected areas. Mealybugs: use the higher rate when pest numbers are high.
	Sooty mould	Mix 15-25mL per 5L water	
Home garden lawns, plant pots and garden beds (ornamentals only)	Aphids, Leaf miner, Leaf Roller, Mites, Poketo Beetle, Scale, Thrips, Whitefly	Mix 25mL per 5L water	Apply at the first sign of pest infestation and before pest populations build up to damaging levels. Ensure thorough coverage of treated areas. Apply using a watering can.
	Bronze Beetle, Mealybugs, Psyllid	Mix 20mL per 5L water to treat 10 square metres	

Plant/Situation	Pest	Rate	How to Apply
Home garden lawns, plant pots and garden beds (ornamentals only)	Black Beetle larvae	Mix 10mL per 1L water	Apply as a soil drench using a watering can. For Black Beetle, the optimum application time is peak egg hatch which occurs between mid Spring to mid Summer. Ensure thorough coverage of treated areas.
Ornamental citrus	Citrus leaf miner	Mix 25mL per 10L water	Begin applying when new flush growth is 4 cm long. Apply every 5 to 14 days with presence of new flush growth. Ensure that new flush leaves are sprayed on top and underneath.

WITHHOLDING PERIOD (WHP): 1 DAY
IT IS AN OFFENCE TO USE THIS PRODUCT ON ANIMALS.

STORAGE & DISPOSAL: Store in the closed original container in a cool, dry place out of the reach of children. DO NOT store in direct sunlight. Dispose of empty container by wrapping in paper, placing in a plastic bag and putting in rubbish.

FIRST AID: If poisoning occurs, contact a doctor or National Poisons Centre (0800 764 766). **FOR EMERGENCIES ONLY CALL: 0800 220 770 (ALL HOURS).**
